## The law is on your side.

**1** Federal laws allow the dispute of items on your credit reports.

You as a consumer have the right to seek assistance with this process. We understand the system and can save you time and money.

Call NOW for a  
**FREE**  
CONSULTATION

Our friendly and experienced staff is on standby ready to provide a free, no obligation credit report analysis and consultation!

## We are the experts.

**2** Our services handle all of the work for you.

We do EVERYTHING within our power to clean up, build, improve and optimize your credit reports which leads to higher credit scores and better borrowing opportunities.
